Dvar Torah

After Korach approaches Moshe and complains to him that he too deserves to be in a leadership position—and not only Moshe—Moshe responds to Korach and his group with the following: “המעט מכם כי הבדיל אלקי ישראל אתכם מעדת ישראל להקריב אתכם אליו... ובקשתם גם כהונה?” *Is it not enough for you that the G-d of Bnei Yisroel separated you from the assembly of Yisroel to draw you near to Himself... and now you seek priesthood as well?!*

The simple understanding of this response is that Moshe is rebuking them for not being satisfied with their own lot of serving as Leviim, but instead looking to take what is not theirs. But there is a deeper message here as well.

The verses in Devarim (Ch. 7) state as follows: *For you are a holy people to Hashem, your G-d; Hashem, your G-d, has chosen you to be for Him a treasured people above all the peoples that are on the face of the earth. Not because you are more numerous than all the peoples did Hashem desire you and choose you, for you are the fewest (המעט) of all the peoples.*

However, some interpret “המעט” to mean “little,” or “small.” In other words, Moshe was telling Bnei Yisroel that the reason they were chosen to be Hashem’s people is because they were “מעט”—their humility. Just as Har Sinai was chosen as the place for the Torah to be given because of its humility, and Moshe was chosen as the leader for all Bnei Yisroel for his humility, so too Bnei Yisroel as a whole was chosen because they carried themselves as “מעט.”

Accordingly, Moshe responds to Korach and his group: “המעט מכם כי הבדיל אלקי ישראל אתכם מעדת ישראל!” Hashem chose you in the first place because you were humble—and now you request Kehunah?! Leadership and special stature do not come by forcing your way there; it comes by humbling yourself—and then Hashem chooses you and elevates you; you cannot force your way to the top.

One of the paragons of humility of the last generation was the Chofetz Chaim, who did not view himself any differently than anyone else. He used to say:

“Does anyone view themselves as greater than others for eating and drinking that day? Of course not, because a person eats and drinks for their own good. So why should Torah and Mitzvos be any different? Those, too, are for our own good—so how can a person view themselves as greater because of his Torah and Mitzvos?”
