### Purim "Take-Out" Seudah!—Orders Due Next Week

Purim is in two weeks, so it's time to get your orders in for the "Take-out" Seudah, catered by Keisari Catering! Please see pages 3 & 4 for the flyer & order form.

### Kosher Bakery in Centerville!

At the initiation of the Rabbi, contact has been made with a Jewish owned Kosher Bakery in Centerville, IN. We are exploring the possibility of this bakery delivering products to our community. On Tuesday evening, February 9, the owners came to B'nai Torah and shared free samples of their products to about 20 members which were very well received. Aside from a wide range of baked goods, the bakery also offers appetizers. Please see page 5 for a list of products. Orders must be placed weekly by Thursday, 10 a.m., for delivery Friday morning.

### COVID-19 Zoom Event—This Sunday

Congregation B'nai Torah presents a Zoom event titled: **How to Stop the COVID-19 Pandemic**. The event is this Sunday, February 14, 2021, 4:00 PM to 5:30 PM. Dr. Allon Friedman & Dr. David Sanders will be presenting, with Dr. Jack Cotlar moderating. A Q & A session will be included. See page 6 for more information.

### Megillah Class

In anticipation of Purim, Rabbi Gettinger is teaching Megillas Esther after Mincha on Shabbos.

### Sisterhood Mishloach Manos

Please send in your Mishloach Manos orders. Questions can be directed to [btipurim@gmail.com](mailto:btipurim@gmail.com), or to Mrs. Miriam Gluck, Tzirel Rutstein or Shoshi Yaari.

**KC Kosher Co-op Order**—Due This Coming Wednesday, February 17. For more information, contact Mrs. Miriam Gluck: 317-252-2654 / [miri371@aol.com](mailto:miri371@aol.com)

**The Eiruv Work is Almost Done**—Unfortunately, due to the weather, no work was done this week. We still anticipate needing 2-3 more work days, and we hope the weather will be accommodating. We thank all the donors who have contributed; see page 2 for a list of the donors.

## Weekly Classes

Meeting ID: 998 2160 4326 Passcode: 604203

Allon Friedman, MD, is an Associate Professor of Medicine at Indiana University School of Medicine. He received his medical degree from McGill University and completed his training in medicine, nephrology, and nutrition at Tufts University and the US Department of Agriculture-Human Nutrition Center on Aging. Over the past year he has cared for a large population of patients with COVID-19 and is a site principal investigator for the multicenter STOP-COVID clinical study.

David Sanders is an Associate Professor of Biological Sciences at Purdue University. He joined the Markey Center for Structural Biology at Purdue in 1995. Professor Sanders is the author of two U.S. patents on novel gene - therapy delivery techniques. His work on the Ebola virus led to his participation in the U.S. Defense Threat Reduction Agency's Biological Weapons Proliferation Prevention Program. This past semester he taught the COVID-19 course at Purdue University.
