

Shavuos All Night Torah Learning Program

1st Night of Shavuos - Motzai Shabbos (Saturday Night)

6 Sivan 5782 — June 5, 2022

We have a wonderful slate of topics for the 'All-night Torah Learning' (see below). These presentations will take place in the Shul library, beginning at midnight. The presentations will be in seminar form which will include active participation. Materials will be distributed to aid in the study & discussion. "Stimulating" refreshments will also be provided. The Beis Medrash will be open for individual study as well.

Time	Title
12:00 Midnight to 1:40 a.m.	Embryo Creations: A Jewish Halachic Perspective In recent decades there have been wonderful advances in the field of reproductive medicine. What are the Halachic parameters that govern these procedures?
1:45 a.m. to 3:25 a.m.	Jewish Customs - Their Development & Halachic Parameters Jewish religious practice & Jewish customs go "hand in hand". There are family customs, Shul customs & communal customs. What purpose do they serve? Are they binding? May they be modified?
3:30 a.m. to 5:00 a.m.	The Book of Ruth & the Establishment of a Jewish Monarchy The book of Rus (Ruth) is read in Shul on Shavuos. In what way does the story relate to this Yom Tov & the establishment of the Davidic Monarchy?
