50TH GOLDEN JUBILEE

HONORING
DR. STEPHEN & MONICA ROSENFELD

AUGUST 25, 2022 ✦ 28 AV 5782

בנינו עורבים אותנו

Our children shall be our guarantors.
(Midrash Rabbah, Song of Songs 1:4,1)

To honor our Golden Jubilee, we are investing in our school and enhancing the experience for our children and for generations to come! As a community school, we rely on you to make an impact. Our goal is to raise \$60,000 per cause.

Your donation will be generously matched by Hart and Simona Hasten, up to \$90,000, and will directly contribute to the improvements described below.

Safety & Security

The safety and security of our school is always a top priority. Your donation will fund our full-time security officer and aid in enhancing our security measures and systems to ensure we're providing the safest environment for our children and staff.

Interactive Play

Whether it be supporting our Reggio-based play in Early Childhood or swinging on a swing set at recess, our goal is to upgrade our playground equipment and move all outdoor play areas to secured locations. Your donation will upgrade our play spaces and will surely bring joy to our children in a safe and inspiring environment.

Student Innovation & Personalization

We are constantly striving to enhance our educational program to position each child for success! Your donation will support the dedicated staff needed to offer individualized learning paths, high ability tracks and cutting-edge technology electives. Also, we are supporting our students holistically through the addition of a full-time school counselor and social-emotional curriculum. Each of these enhancements ensure that all children reach their full potential.

To join us for our Golden Jubilee, return your response enclosed in this invitation by August 12.

Can't join us? You can still show your support by making a donation! Please note which cause you wish to support when donating online. Scan the QR code to get started.
