Selling of Chametz

Not only is one prohibited from eating chametz during the holiday of Pesach, one is also prohibited from owning or having chametz in his or her possession. Should it be too difficult to consume all of one's chametz prior to the holiday, you may approach Rabbi Gettinger and authorize him to act as your agent in the sale of chametz on behalf of yourself, your family, and your business. Since the sale will take place this year on Monday morning, April 22, please make sure to use the authorization form, and make sure it reaches the Rabbi by April 21st.

You may return the authorization form by dropping it off at the office, faxing it to or via email to office@btorah.org. Please see the form on page 2

Please note on April's calendar:

Sunday (21th) Search for Chometz after 9:15 pm

Monday (22th) latest time for eating Chometz is 11:00 am

Monday (22th) latest time for burning Chometz is 12:20 pm

The full Holiday Schedule will be included in the Passover Shofar.

At this time of the year we conduct our annual Maot Chittim appeal. This appeal allows us to help people who cannot afford the Pesach expenses. Please contribute generously. Make your checks payable to 'B'nai Torah Charity Fund' & mark the memo: Maot Chittim. Your Seder & Pesach celebration will be all the more meaningful knowing that you have helped others enjoy the Yom Tov. We wish you all a Chag Kasher VeSame'ach

On the Fourth Day, A Pre-Solar Eclipse Brunch and Lecture Synopsis: The morning started with a breakfast of New York bagels and spreads, fruit, and pastries as well as Dina Hasten's famous noodle kugel.

Guest speaker Rabbi Dovid Heber delivered a lecture about the Jewish calendar system, the history of solar and lunar eclipses as their significance in Judaism, the history and halacha of the International Dateline, as well as sharing a bit about the inner world of Kashrus.
